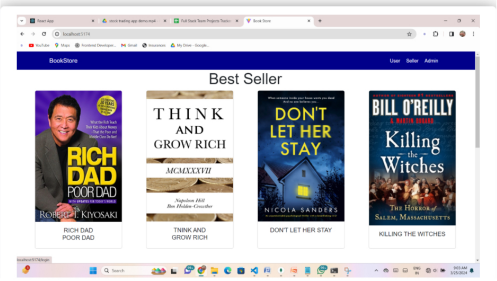
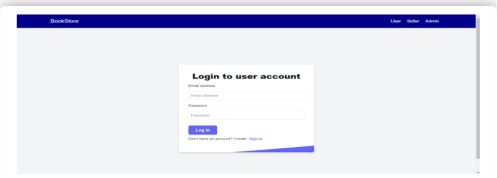
Project Implementation

Finally, after finishing coding the projects we run the whole project to test it's working process and look for bugs. Now, let's have a final look at the working of our Cab Booking application.

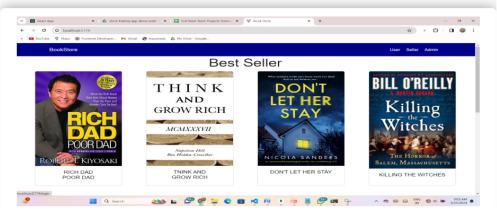
Landing page:-



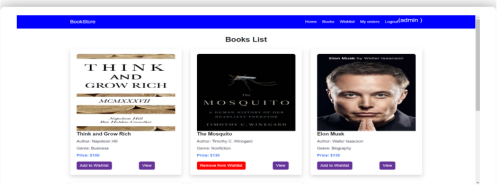
Login Page:-



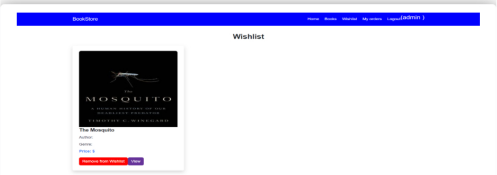
Home Page:-



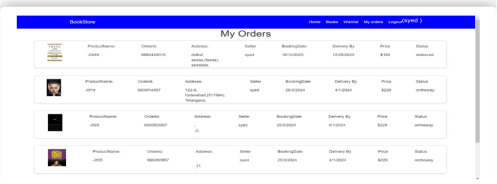
Books Page:-



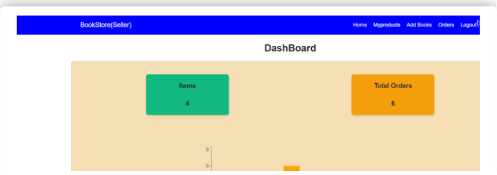
Wishlist Page:-



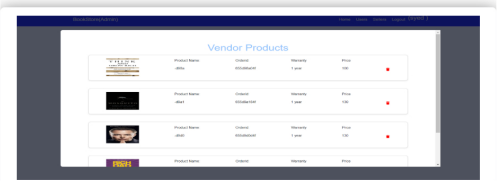
My Bookings Page :-



Seller Dashboard:-

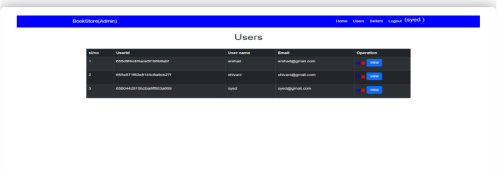


Seller Items:

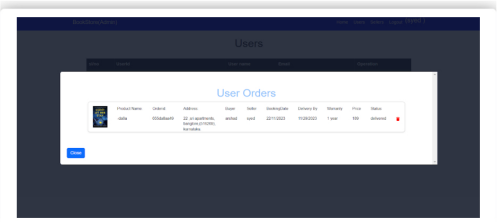


Admin Dashboard:-

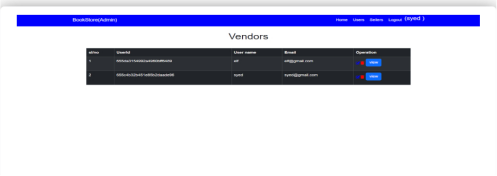
Users Page:



User Orders:



Sellers Page:



The demo of the app is available at:-
